## Continuation Sheet (PTOL-303) 009/924,025

Application No.

Continuation of 2. NOTE: The added limitations "wherein the authentication and service data includes information to and different from information indentifying the consumer" raise new issues that would require further search and/or considerations.

Continuation of 5. does NOT place the application in condition for allowance because: The prior art of record, Flaig et al., still meets the limitations of claimed invention. The consideration (as marked in this section) is related to the applicant's remarks/argument, not the amendments.

Continuation of 10. Other: Claims 1-48 remain rejected as set forth in the Final office Action (see paper no. 12272003)...
